

Builtrix
Connected-Building Solution

**Uncover Abnormalities & Energy Saving
Opportunities In Buildings Using Data
Analytics**

Lots of Aggregated data but
no tool to find insights from
Energy Big data

**Intelligent, Affordable,
& easy-to-integrate
solution**

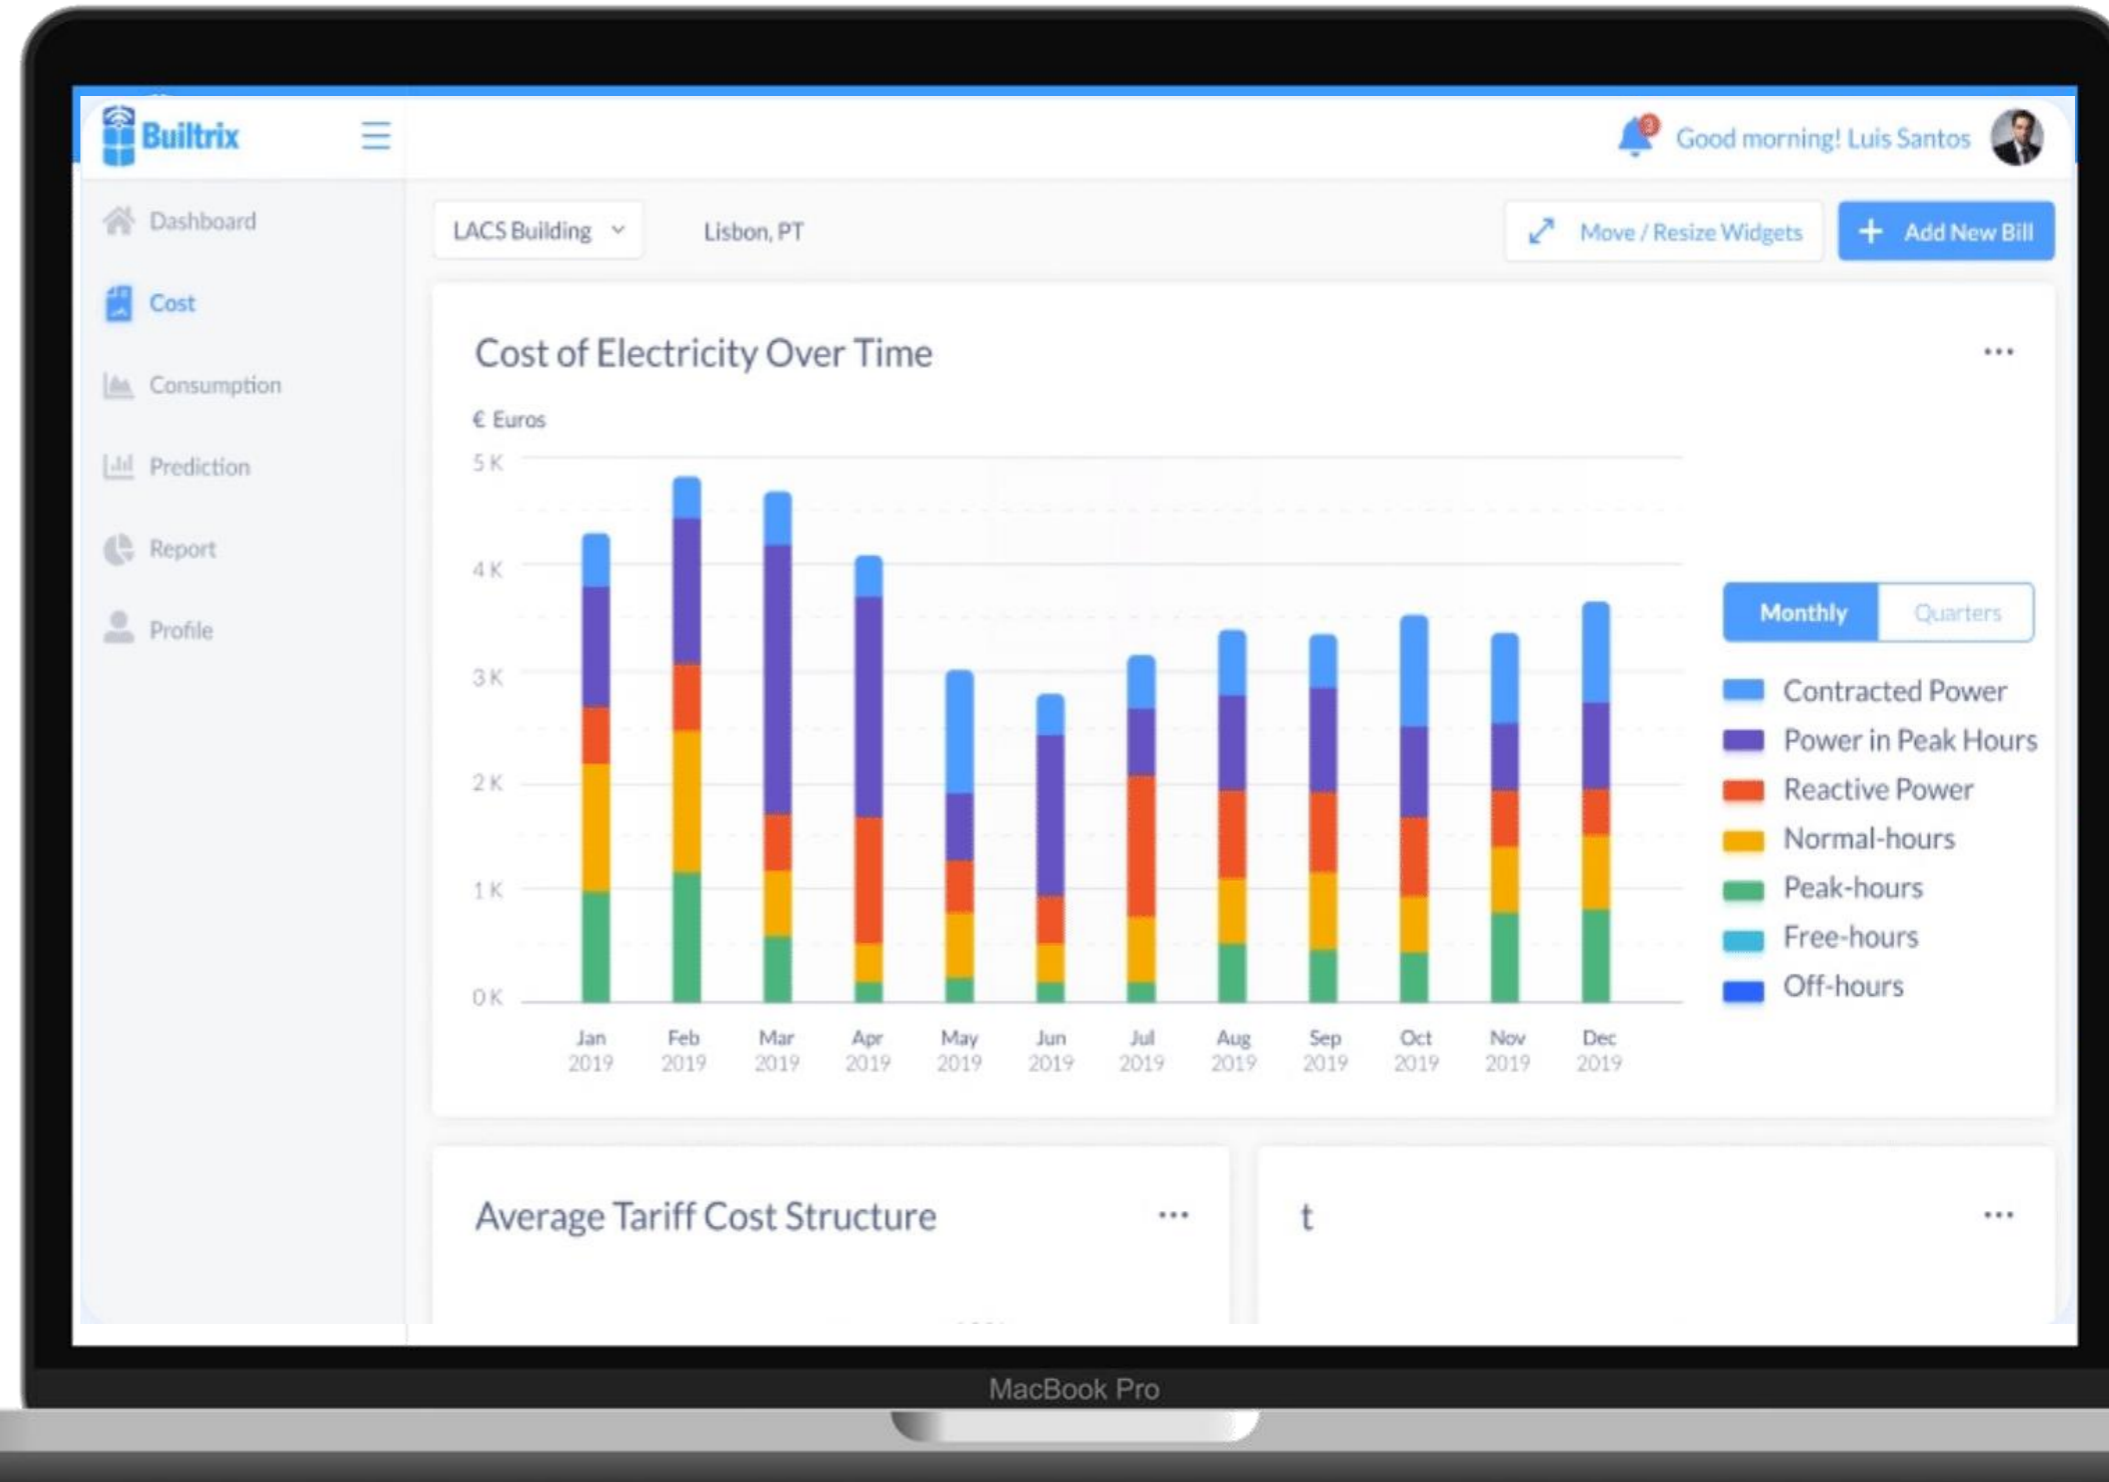

Builtrix
Connected-Building Solution

Virtual Disaggregation

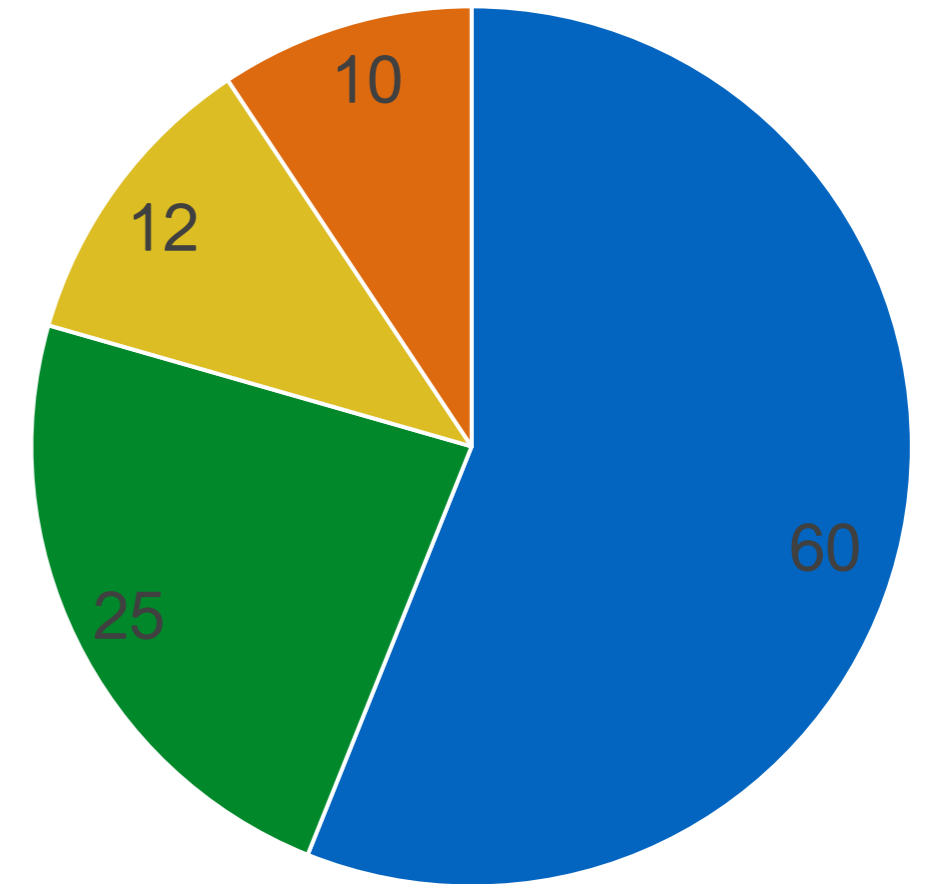

Energy consumption of appliances without installing any hardware using AI algorithms

Virtual Disaggregation

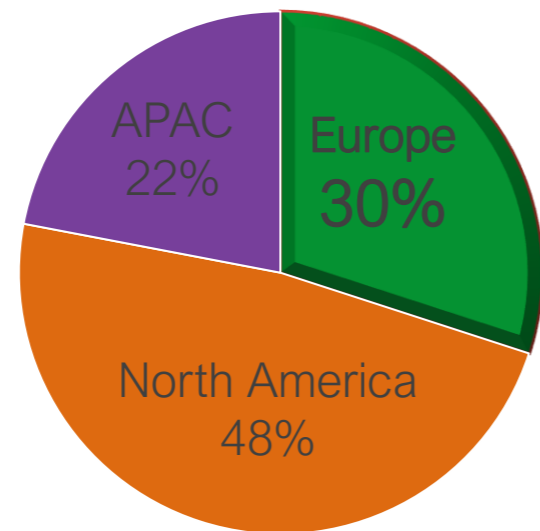

- Flour
- Butter
- Egg
- Sugar

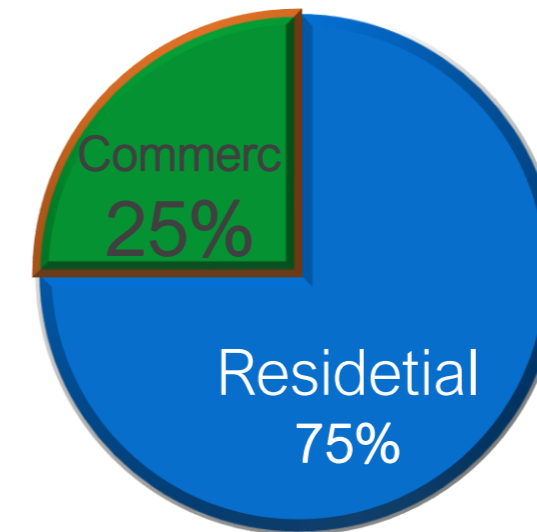

Global Building Analytics and BMS Market

21 B\$ in 2017 => 55 B\$ in 2027 with CAGR: 12.5%

Worldwide Share

Building stock in Europe
