# The landscape of EU's accommodation sector

of EU **hotels** operate with <10 employees

Maintain less than **25 rooms**

Decreased **occupancy**  
(Q1 '21 to Q1 '20)

Are only **digitally transformed**

# Previous “norm” is no longer sustainable for accommodation SMEs

I think I am not pricing optimally

Hotel Owner

Revenue Manager

Guesswork is too time-consuming!

Travel-technology is not affordable for me!

Travel technology is difficult

# ROSIE

## An exciting data-driven RO system
